

# Apprenticeship Opportunity

## Key Info

- For those with two **A-Levels at Grade C & above**, or a **degree at 2:1 & above** (you can use predicted grades on your application)
- Gain AAT (Association of Accounting Technicians) qualifications
- Apprentice salary negotiable based on entry level/experience
- Start by 1st September (latest - earlier would be advantageous)

*"Throughout my apprenticeship with Davies Tracey I have felt really supported with my learning. The team are familiar with taking on Apprentices so know what help they need. The variety of services offered and clients served mean I have gained so much experience and built a solid foundation for a career in accounting."*

- Elysse Middleton, Apprentice since 2021

## Benefits

### Progression Opportunities

- Support for further training after AAT if required - for example ICAEW or certified accountancy.
- Career progression within Davies Tracey.

### Employee Benefits

- Flexible working arrangement, across 2 offices (Stockton and Stokesley).
- Pension scheme, private health scheme, life/accident cover, 23 days holiday, additional exam leave.

## Join the team

Apply now by sending a CV with covering letter.

We will not accept applications after 18th July 2025.

Interviews will take place in late July 2025.

Email applications and queries to [team@daviestracey.co.uk](mailto:team@daviestracey.co.uk)

A fantastic opportunity for the right person to start their accountancy career.
